

Skilled Graduate Visa-485

The Skilled Graduate visa - 485 is for students in Australia who recently completed two-years of study in Australia and potentially qualify for a "permanent residency visa", but lack the required points score (for example require work experience or a higher IELTS score) etc.
The visa is granted for 1.5 years.

9 the conditions for obtaining a 485 visa:

- Be under 50 years of age at the date of lodgement
- **Have a high level of English** (IELTS general test, with a score of at least 6.0 in each of the 4 test components of speaking, reading, Writing and listening)
- Have applied for a skill assessment in an occupation on the SOL
- Hold a student visa (selected visas)
- completed 2 years of studies in Australia in the with a course that was CRICOS registered for at least 92 weeks (2 academic years) obtained in 16 months
- study must be closely related to the selected nominated occupation on the SOL
- Visa must be lodged **no later than 6 months** after the completion of study in Australia
- You must be in **Australia to apply for the visa**

Should I use the services of an immigration agent?

We recommend to use the services of an immigration agent when applying for a "Skilled Migration".G8M8 Great Mate externally employed immigration agents and lawyers: PWP Migration Services .Anyone interested in immigration and migration advice from other PWP Migration Services obtained **the first consultation** for **FREE** registration in G8M8 Great Mate .

How much will emigrate to Australia cost?

In the process of applying for immigration to Australia are two kinds of charges. fees associated with visa applications and the services of a lawyer. Each application is an individual immigrant fees and agent / attorney is different, prices for "Skilled Migration" **starting from AU \$ 1650th**
